

## Fluke 2016 Power Quality and Motors & Drives Troubleshooting Workshops.

Fluke Australia are bringing back their popular Power Quality and Motors & Drives Troubleshooting Workshops in 2016, and this time in more locations to suit you! These workshops will provide attendees with a practical understanding and knowledge of the problems, principles and practices that are associated with power quality and motors & drives.

### Power Quality Workshop

**What you will learn:**

**Learn how to detect and prevent power quality problems with the right tools and knowledge from Fluke.**

- Fundamentals of power quality
- Develop skills for better measurements
- How to troubleshoot power quality problems and save money by improving power quality
- How to reduce downtime by using planned maintenance techniques

**Perfect for:**

Plant Electricians, Electrical Contractors, Facilities Maintenance Managers, Operations & Manufacturing Managers, Reliability Professionals, Maintenance Professionals, Service Professionals

### Motors & Drives Workshop

**What you will learn:**

**Learn how to troubleshoot faster and avoid downtime using the latest measurement technology and test tools**

- Understand a range of measurements and tools that can be used to isolate possible causes of failure in a three-phase motor drive system
- Understand specific measurement techniques and test tool applications to isolate fault conditions
- Reduce downtime by improving troubleshooting practices
- Insight into real-world applications and examples

**Perfect for:**

Maintenance technicians, Electro-mechanical technicians, Electricians

### Workshop Costs:

**Half Day Power Quality Workshop: \$150.00**

**Half Day Motors & Drives Workshop: \$150.00**

**Full Day Power Quality AND Motors & Drives Workshop: ONLY \$250.00**

Prices listed are excluding GST. Morning and afternoon tea along with refreshments will be available on the day. Lunch will be provided to full day attendees.

Full list of workshop dates and locations can be found on the Registration Page over this page.
