Fluke D-Store

Registration / Login Page

- Register as New User

The screenshot shows the Fluke e-order website interface. At the top left, there is a logo for "Fluke e-order" with the tagline "online and on time" and a circular icon. Below this is a navigation bar with a "Login" button and the text "Distribution Store for Online Fluke Customers".

The main content area is divided into two columns. The left column contains a login form with the following elements:

- A red warning message: "The terms and conditions check box must be selected before login."
- Input fields for "Username" and "Password".
- A checkbox labeled "Please check this box to accept Fluke Terms and Conditions:" with a red link to "Terms & Conditions".
- A "Submit" button.
- A link for "Forgot your Username/Password information?".

The right column contains a red warning message: "Attention: This site has gone through a recent upgrade. The changes are cosmetic and do not impact the functionality." Below this is a message: "If this is your first visit to this page, please select the Business or Organization link to register and create a Username and password. If you are a registered user, please enter your Username and password to login." and a blue link for "User Tutorial".

At the bottom left, there is a green-bordered box containing a "New user, please register" button and a link for "Business or Organization" with the text: "If you are representing your business or organization, click above to register."

Registration Information Page

- Submit Business User Registration Form – be sure to enter the exact Customer Number and Customer Name provided in the email you received from Fluke
- After we have confirmed your contractual distribution relationship with Fluke, you will receive an email from Fluke that includes the instructions for log-in within 48 hours.
